The 2020 regional head elections will be held on 9 December 2020 in 270 regions. Consisting of 9 provinces, 224 regencies and 37 cities, one of which is Bandar Lampung City which has held elections in the midst of the Covid-19 Pandemic. This study uses descriptive research with a qualitative approach in order to get an in-depth description of the supervision carried out by the Bawaslu of Bandar Lampung City in the 2020 Pilkada in the midst of the Covid-19 Pandemic, the campaign stages, the voting stages, and the recapitulation of the vote count results. This research was conducted at the Bawaslu Office of Bandar Lampung City. Based on the results of research conducted by researchers, it can be concluded that the supervision carried out by the Bandar Lampung City Bawaslu in the 2020 elections in the midst of the Covid-19 pandemic at the campaign stage of the voting and recapitulation of vote counting results that had been carried out in Bandar Lampung City was successfully seen by the Bandar Lampung Bawaslu. Lampung has carried out supervision in accordance with the procedures and mechanisms in the 2020 regional elections in the midst of the Covid-19 pandemic. However, the Bandar Lampung City Bawaslu is still limited in following up on alleged violations of Money Politic and findings that do not meet the formal and material requirements so that they must be forwarded to a more competent institution.
