### **PERAN SERTA DUNIA INDUSTRI BUDIDAYA UDANG DALAM PENINGKATAN KOMPETENSI SISWA SMK BIDANG PERIKANAN DI PESISIR LAMPUNG SELATAN**

**Oleh :**

**Evi Adrijani**

Peran industri budidaya udang khususnya tambak udang, pada Sekolah Menengah Kejuruan (SMK) Bidang Perikanan sangat penting. Hal ini karena industri budidaya udang memberikan dukungan pada peningkatan kompetensi lulusan. Penelitian ini bertujuan untuk mengetahui peran dunia industri budidaya udang dalam meningkatkan kompetensi siswa SMK bidang Perikanan di Kabupaten Lampung Selatan. Pengumpulan data dilakukan melalui observasi, wawancara mendalam dan studi dokumentasi. Data yang terkumpul kemudian dilakukan analisis data secara kualitatif. Hasil penelitian menunjukkan peran dunia industri budidaya udang dalam upaya peningkatan kompetensi siswa SMK bidang perikanan dilakukan melalui kegiatan praktik kerja industri (Prakerin) bagi siswa, selain itu industri budidaya udang merupakan tempat pemagangan guru mata pelajaran produktif perikanan. Industri budidaya udang tersebut dapat juga terlibat dalam kegiatan uji kompetensi siswa dan sebagai tempat menyalurkan lulusan. Pembenahan kegiatan praktek dan penambahan sarana pembelajaran di sekolah perlu dilakukan agar tercapai keselarasan antara kualitas lulusan dengan kebutuhan industri.
