

## LIST OF TABLES

<b>Tables</b>	<b>Page</b>
1. Specification of Reading Test in Pretest .....	40
2. Distribution of Students' Pre Test in Experimental Class .....	49
3. Statistical Data Pre Test per Element in Experimental Class .....	50
4. Distribution of Students' Pre Test Score in Control Class .....	51
5. Statistical Data Pre Test per Element in Control Class .....	52
6. Distribution of Students' Post Test Score in Experimental Class.....	53
7. Statistical Data Post Test per Element in Experimental Class .....	54
8. Distribution of Students' Post Test Score in Control Class .....	56
9. Statistical Data Post Test per Element in Control Class.....	57
10. Analysis of The Hypothesis .....	60
11. Analysis of Students' Reading Achievement in Terms of Comprehension.....	61
12. Analysis of Students' Reading Achievement in Terms of Inference.....	63
13. Analysis of Students' Reading Achievement in Terms of Vocabulary.....	64

## LIST OF APPENDICES

Appendix	Page
1. Research Schedule .....	75
2. Lesson Plan .....	76
3. Pretest.....	110
4. Reliability Analysis Upper Group Try Out Test.....	133
5. Reliability Analysis Lower Group Try Out Test.....	134
6. Reliability Analysis of Try Out Test.....	135
7. Difficulty Level and Discrimination Power of Tryout Test.....	136
8. The Reliability Computation of data Collecting Technique .....	137
9. The Result of Students Score of Pre Test in Experimental Class .....	138
10. The Result of Students Score of Pre Test in Control Class.....	139
11. The Result of Students Score of Post Test in Experimental Class.....	140
12. The Result of Students Score of Post Test in Control Class .....	141
13. Distribution of Students' score per Element of Reading in Experimental Class .....	142
14. Distribution of Students' score per Element of Reading in Control Class.....	143
15. Normality Test .....	144
16. Homogeneity Test .....	145
17. T-table .....	150
18. Observation Sheet of Students Activities.....	151
19. Surat Keterangan Telah Melaksanakan Penelitian.....	159
20. Keterangan Telah Melaksanakan Penelitian .....	160
