His first appreciation goes to Prof. Dr. Patuan Raja, M.Pd., as my academic advisor for his guidance and motivation to do what should I do in dealing my study during in University of Lampung.

Furthermore, he owes the greatest debt to both of his advisors, Prof. Dr. Cucu Sutarsyah, M.A., and Drs. Sudirman, M.Pd., who had full of patience and some humor in guiding him to write this script. Although very busy with their routine as the lecture of Lampung University, they have been very generous with their time, comments, suggestions and corrections on every draft of his script. Without such guidance and assistance, he could not have finished his research and writing up this script on time.

His gratitude is also extended to Mr. Drs. Hery Yufrizal, M.A. Ph.D., as the examiner for patiently giving any suggestions, critics, input and advices to improve this script.

He would also like to express his gratitude to the headmaster of SMA Al Azhar 3 Bandar Lampung, Drs. H. Ma’rifuddin Mz., M.Pd.I., and the English Teacher, Mrs. Tien Yati Authon, SS., for giving the opportunity and time to conduct this research. Appreciation is also addressed to all students of SMA AL AZHAR 3 Bandar Lampung class X 5 for being good and sweet students.
