Halaman

ABSTRAK ........................................................................................................................................ i

I. PENDAHULUAN

A. Latar Belakang ................................................................. 1
B. Rumusan Masalah .......................................................... 8
C. Tujuan Penelitian ........................................................... 8
D. Kegunaan Penelitian ....................................................... 9

II. TINJAUAN PUSTAKA

A. Tinjauan Peranan Konselor Pendidikan dan Pengembangan Diri ......................... 10
   1. Pengertian Peranan ....................................................... 10
   2. Konselor Pendidikan ..................................................... 11
   3. Pengembangan Diri ....................................................... 15
B. Tinjauan Tentang Kenakalan Remaja dan Permasalahannya ......................... 22
   1. Pengertian Kenakalan Remaja ........................................ 22
   2. Permasalahan Kenakalan Remaja ..................................... 25
C. Kerangka pemikiran ...................................................... 29

III. METODE PENELITIAN

A. Tipe Penelitian ............................................................... 32
B. Fokus Penelitian ............................................................ 33
C. Lokasi Penelitian ........................................................... 33
D. Teknik Penentuan Informan ........................................... 34
E. Teknik Pengumpulan Data .............................................. 35
F. Teknik Analisis Data ...................................................... 36
IV. GAMBARAN UMUM

A. Sejarah MAN 1 Bandar Lampung ................................................................. 38
B. Visi, Misi dan Motto MAN 1 Bandar Lampung .......................................... 42
C. Tenaga Pendidik dan Kependidikan MAN 1 Bandar Lampung ................... 43
D. Fasilitas ............................................................................................................. 44
E. Kurikulum dan Pembelajaran ........................................................................ 44
F. Program Penjurusan ....................................................................................... 46
G. Kegiatan Ekstrakurikuler ................................................................................ 46
H. Alumni ............................................................................................................. 47
I. Prestasi Akademik Dan Ekstrakurikuler .......................................................... 47

V. HASIL DAN PEMBAHASAN

A. Deskripsi Hasil Penelitian ............................................................................. 49
   1. Informan 1 ..................................................................................................... 49
   2. Informan 2 ................................................................................................... 55
   3. Informan 3 ................................................................................................... 61
   4. Informan 4 ................................................................................................... 64
B. Pembahasan ..................................................................................................... 67
   1. Peranan Konselor Pendidikan Terhadap Proses Pengembangan Diri siswa... 67
   2. Peranan Konselor Pendidikan Dalam Menanggulangi Kenakalan Remaja..... 71

VI. SIMPULAN DAN SARAN

A. Simpulan ......................................................................................................... 77
B. Saran ............................................................................................................... 80
