IV. HASIL PENELITIAN DAN PEMBAHASAN

A. Langkah-langkah Penelitian

1. Pengajuan Judul

2. Penelitian Pendahuluan

3. Pengajuan Rencana Penelitian

4. Pelaksanaan Penelitian

a. Persiapan Administrasi
Pembahasan Pengujian Hipotesis

2. Deskripsi Data

5. Penyusunan Alat Pengumpulan Data ........................................80

5. Pelaksanaan Uji Coba Soal Angket .........................................81

   a. Analisis Validitas Soal Angket ........................................81

   b. Analisis Uji Reabilitas Angket ........................................81

B. Gambaran Umum Lokasi Penelitian .......................................86

   1. Lokasi Penelitian .......................................................86

   2. Sejarah Singkat ..........................................................86

   3. Visi, Misi, dan Tujuan ................................................87

   b. Penyajian Data Motivasi Belajar .......................................100

      1. Indikator Tekun Menghadapi Tugas ...............................100

      2. Indikator Ulet Menghadapi Kesulitan Belajar ..................102

      3. Indikator Senang Memecahkan Masalah Dalam Diskusi

         Kelompok ......................................................................104

      4. Motivasi Belajar ..........................................................105

D. Pengujian Hipotesis ...............................................................108

   1. Pengujian Hubungan .......................................................108

2. Pengujian Tingkat Keeratan Hubungan ..................................111

E. Pembahasan ..........................................................................113

1. Variabel Kemampuan Guru Mengelola Kelas dalam

   Diskusi Kelompok dengan Motivasi Belajar .......................113

      a. Indikator Kemampuan Teknis Guru dalam Metode

         Diskusi Kelompok ......................................................113

      b. Indikator Membina Kerjasama .....................................115

      c. Indikator Meningkatkan Partisipasi ..............................117

      d. Indikator Mendorong Refleksi Kelompok .......................118

      e. Kemampuan Guru Mengelola Kelas dalam Diskusi

         Kelompok .....................................................................120

2. Motivasi Belajar .................................................................121

      a. Indikator Tekun dalam Menghadapi Tugas ....................121

      b. Indikator Ulet Menghadapi Kesulitan Belajar ...............123
c. Indikator Senang Memecahkan Masalah dengan Diskusi Kelompok .................................................................124
d. Motivasi Belajar ........................................................................................................................................126
3. Catatan Lapangan ...........................................................................................................................................127
   a. Catatan Lapangan 1 ..............................................................................................................................127
   b. Catatan Lapangan 2 ..............................................................................................................................127
   c. Catatan Lapangan 3 ..............................................................................................................................127
4. Hubungan Kemampuan Guru Mengelola Kelas dalam Diskusi Kelompok dengan Motivasi Belajar Siswa ........................................128

V. KESIMPULAN
   A. Kesimpulan ...........................................................................................................................................130
   B. Saran ......................................................................................................................................................130
