

MOTTO

All you need in this life is ignorance and confidence, and then success is sure. ~Mark Twain

*Computing is not about computers anymore. It is about living.
~Nicholas Negroponte*

*Unix was not designed to stop you from doing stupid things,
because that would also stop you from doing clever things. ~Doug
Gwyn*

To be, or not to be: that is the question. ~William Shakespeare

Don't say I can't, but say I'll try to do my best. ~Imam Gunaro
