

ACKNOWLEDGEMENTS

Thanks to Allah SWT, without whom the writer will never be able to finish this script as He is the only God who decides what will and won't happen in this world. The writer would also like to express his deepest gratitude to the people who have helped him in completing this script. Special thanks are expressed to:

1. The writer's parents who have supported the writer so much that he is feeling obliged to finish this script as soon as possible.
2. Prof. Dr. Cucu Sutarsyah, M. A. as the writer's first script advisor. Thanks for his patience and kindness in guiding the writer to complete his script. He also gives the writer a great amount of advice which then helps the writer finish his script.
3. Drs. Sudirman, M. Pd. as the writer's second script advisor. Because of his invaluable contribution in the making of this script, the writer gets quite a lot of new knowledge about script making theories which then leads to a close to-perfect-script result.

4. Dra. Hartati Hasan, M. Hum. as the examiner of this script who has given lots of inputs that help the writer make a compact script and finish it.
5. Dra. Flora Nainggolan, M. Pd. as the writer's academic advisor who has been doing more than enough to assist the writer. Despite her being out of town, she is still willing to take the trouble to e-mail the writer in order to support him.
6. Muhammad Ayyub as the principal of Standard Gandhi English Course as the man who encourages the writer the most to finish his script and gives him the freedom to take a leave to finish his script.
7. Charli Wijaya, S. Pd. as one of the writer's dearest friends who has been helping the writer with his script since the making of this script first started.
