APPENDICE	Page
1. Research Schedule.....	51
2. Try Out Test	52
3. Lesson Plan.....	61
4. Pretest	94
5. Posttest.....	100
6. Upper Lower Group Try Out Test.....	106
7. Reliability Analysis of Try Out Test	108
8. Difficulty Level and Discrimination Power of Try Out Test	109
9. Coefficient Reliability of the Try Out Test	110
10. Table Distribution of Try Out Test	111
11. Students' Pretest and Posttest Score	112
12. Table Distribution of Pretest Score in the Experimental Class.....	113
13. Table Distribution of Pretest Score in the Control Class	114
14. Table Distribution of Posttest Score in the Experimental Class	115
15. Table Distribution of Posttest Score in the Control Class	116
16. The Increase of the Students' Reading Comprehension in the Experimental Class.....	117
17. The Increase of the Students' Reading Comprehension in the Control Class	118
18. The Homogeneity of the Experimental and Control Class	119
19. The Hypothesis of the Experimental and Control Class	120
20. Normality Test of Experimental Class.....	121
21. Normality Test of Control Class	122
22. The Highest Score of Pretest in the Experimental Class	123
23. The Lowest Score of Pretest in the Experimental Class	124
24. The Highest Score of Pretest in the Control Class.....	125
25. The Lowest Score of Pretest in the Control Class	126
26. The Highest Score of Pretest in the Experimental Class	127
27. The Lowest Score of Pretest in the Experimental Class	128
28. The Highest Score of Pretest in the Control Class.....	129
29. The Lowest Score of Pretest in the Control Class	130
