

CHAPTER III CONCLUSIONS AND SUGGESTIONS

A. Conclusions

Based on the result of analysis and discussion of the problems aforementioned, the writer concludes this report as follows:

1. Lampung Museum is an important institution which presents Lampung art and culture. Exhibition of collections is an effort to show and inform the public about the beauty and uniqueness of Lampung art and culture. It is one of public media which gives education about Lampung culture, archaeological remains, and Indonesian culture in general.
2. One of the most interesting collections in Lampung Museum is about Lampung ethnic "Guided Package", both of Pepadun and Saibatin. The collections related to "Guided Package" display equipments, ornaments and cloth needed in lampung traditional ceremony.
3. The writer has valuable experience in the Technical Section especially in Guided Package and during registration of collection activity in the exhibition building.

B. Suggestions

Based on the fiel practice report and is analysis, the writer tries to propose some suggestions to Lampung Museum and DIII in Professional English in increasing its work quality, they are:

1. The museum should increase the support equipment in registration of collection activity, for example by covering the writing with plastic, so that the writing is not damage. In addition some safety devices should be applied to support registration of collection activity, for example by attaching safety bar code on the collections to prevent stealing.
2. The museum should classify the collection of the "ethno graphica" based on the characteristic of Lampung Pepadun ethnic and Lampung Sai Batin ethnic, especially related to "Guided Package" activities.
