

ACKNOWLEDGMENT

Alkhamdulillah, the researcher praises to Alloh the almighty who has blessed her in finishing this classroom action research. She has entitled it “Improving Students Reading Comprehension through wh - question Technique at The Second Year of SMA Kosgoro Sekampung East Lampung”. It is written to fulfill the requirement for S-1 degree of the Faculty of Teachers Training and Education at Lampung University Bandar Lampung.

The researcher realizes that without certain people’s help she cannot finish this classroom action research. So the researcher wants to express her deepest gratitude to Prof. Dr. Cucu Sutarsyah, M.A. and Drs. Sudirman, M.Pd., Ujang Suparman, S.Pd., M.A., Ph.D. and also Budi Kadaryanto, S.Pd., M.A. who have guided and helped her in finishing this classroom action research.

The researcher also wishes to express her appreciation to H.M. Taufik Hidayat, S.Pd; the head master of SMA Kosgoro Sekampung East Lampung who has permitted her to countinou her study to S-1 Degree at Lampung University. Her

thankfulness is also due to her discussion group, Mr. Kuswoyo who has given many contributions in finishing this classroom action research.

Last but not least, the researcher also would like to express her indebtedness to her husband and family who have supported her during her study.

Bandar Lampung, January 2012
