

LIST OF TABLES

Table	Page
1. Specification (try out test)	42
2. Normality testing.....	49
3. Schedule of the research	52
4. Distribution frequency of pretest in experimental class 1	54
5. Distribution frequency of pretest in experimental class 2.....	55
6. The Analysis of the Students' Score of the Pretest in Experimental Class 1 and Experimental Class 2	56
7. The distribution frequency of posttest in experimental class 1.....	57
8. The analysis of students' pretest and posttest in experimental class 1	58
9. The distribution frequency of posttest in experimental class 2.....	59
10. The Analysis of the Students' Score of the Pretest and posttest in Experimental Class 2.....	60
11. The analysis of mean in experimental class 1 and 2	61
12. The analysis of students' posttest in experimental class 1 and 2	61
13. Analysis of the Hypothesis Test.....	63
14. Distribution of students' answer of posttest in experimental class 1	73
