

ABSTRAK

PENGARUHE-LKPD BERBASIS *LIVWORKSHEETS* TERHADAP HASIL BELAJAR PENDIDIKAN PANCASILA PESERTA DIDIK KELAS IV SEKOLAH DASAR

Oleh

KEYLA NABELA LARASATI

Permasalahan penelitian ini adalah rendahnya hasil belajar Pendidikan Pancasila peserta didik kelas IV SDIT Baitul Jannah akibat penggunaan media pembelajaran yang kurang optimal. Penelitian ini bertujuan untuk menganalisis pengaruh media E-LKPD berbasis *Liveworksheets* terhadap hasil belajar Pendidikan Pancasila. Metode penelitian menggunakan *quasi experiment design* dengan sampel peserta didik kelas IV SDIT Baitul Jannah sebanyak 48 orang yang dipilih melalui *purposive sampling*. Teknik pengumpulan data menggunakan tes dan observasi, sedangkan analisis data dilakukan dengan regresi linier sederhana. Hasil penelitian menunjukkan bahwa media E-LKPD berbasis *Liveworksheets* berpengaruh signifikan terhadap hasil belajar Pendidikan Pancasila. Hal ini dibuktikan dengan nilai R Square sebesar 0,896, yang berarti 89,6% peningkatan hasil belajar peserta didik dipengaruhi oleh penggunaan media tersebut dengan signifikansi 0,000 ($p < 0,05$) yang menunjukkan bahwa model regresi signifikan. Selain itu, nilai N-Gain sebesar 0,70 termasuk dalam kategori tinggi, menandakan bahwa penggunaan media E-LKPD berbasis *Liveworksheets* berpengaruh dalam meningkatkan hasil belajar peserta didik.

Kata Kunci: E-LKPD, hasil belajar, *Liveworksheets*, Pendidikan Pancasila.

ABSTRACT

THE EFFECT OF *LIVEWORKSHEETS*-BASED E-LKPD ON THE LEARNING OUTCOMES OF FOURTH-GRADE ELEMENTARY STUDENTS IN PANCASILA EDUCATION

By

KEYLA NABELA LARASATI

The problem addressed in this study was the low learning outcomes of fourth-grade students in the subject of Pancasila Education at SDIT Baitul Jannah, which was caused by the suboptimal use of learning media. This research aimed to analyze the effect of E-Worksheet (E-LKPD) media based on Liveworksheets on students' learning outcomes in Pancasila Education. The study employed a quasi-experimental design with a sample of 48 fourth-grade students from SDIT Baitul Jannah, selected through purposive sampling. Data were collected through tests and observations, while data analysis was conducted using simple linear regression. The results showed that the E-LKPD media based on Liveworksheets had a significant effect on students' learning outcomes in Pancasila Education. This was evidenced by the R Square value of 0.896, indicating that 89.6% of the improvement in students' learning outcomes was influenced by the use of the media with a significance level of 0.000 ($p < 0.05$), demonstrating that the regression model was significant. Additionally, the N-Gain value of 0.70, which fell into the high category, indicated that the use of E-LKPD media based on Liveworksheets was effective in improving students' learning outcomes.
