

ACKNOWLEDGEMENT

Praise is merely to Allah SWT for his blessing and mercy that the writer is enabled to accomplish this script entitled "A Comparative Study of Reading Comprehension Achievement between Students who are Taught Through Reciprocal Teaching Technique and Those Taught Through Ordinary (Lecture) Technique at the Second Grade of SMP Negeri 6 Metro". This script is submitted as a compulsory fulfillment of the requirements for S1 degree of English Education Study Program at Teacher Training and Education Faculty, University of Lampung.

Gratitude and honor are addressed to all persons and institutions that helped and supported the writer until completing this script. Here, the writer would like to acknowledge her sincere gratefulness to Drs. Hery Yufrizal, M.A., Ph.D., as her first advisor, and Drs. Deddy Supriyadi, M.Pd., as her second advisor, who have given assistance, guidance, ideas, encouragement and scientific knowledge within the process until accomplishing the script.

Her sincerity is due to Budi Kadaryanto, S.Pd., M.A., as the examiner, who has given suggestions and ideas to make the script better and valuable. Her respect is given to Drs. Huzairin, M.Pd., as the academic advisor, who leads me from the beginning until the end of my study in this lovely University.

The writer says great thanks and honor for all English Lecturers who have educated and broadened the writer's knowledge, especially about English during study and also for all staffs and members of Language and Arts Department who have cooperated with the writer.

Her appreciation is given to Drs. Edy Supriono, the headmaster of SMP Negeri 6 Metro and who have given time and helped to conduct the research and also for all students of 8.1, 8.2, and 8.3 in academic year 2010/2011 at SMP Negeri 6 Metro who have wanted to cooperate well.

Her fully gratitude is presented to her beloved parents and big family who keep motivating and supporting her without giving up to finish her study. Especially, her great thankfulness is given to her whole mates in '06 generation for sharing, helping, inspiring and challenging time to pass each day with and also for all generation who care and help. Anyone who can not mentioned directly who has contributed in finishing this script.

I actually realize that this script has many weaknesses in certain ways thus suggestions are expected to compose better paper in the future.

Bandar Lampung, 2011
