

Thanks Almighty Allah for Uncountable Blessings..

Mami. Papi.

What can I say other than thank you.

I would not be where I am today without you.

Thank you so much for all of your support these past 22 years. Thank you for being there whenever I needed it, and even when I thought I didn't. Thank you for teaching me respect, confidence and love. I sincerely appreciate everything you have done for me..

I was blessed to be your daughter and I only hope to always make you proud.

I love you with all my heart..

So to my wonderful friends. Thank you for taking care of me in every way possible.

Thank you for believing in me when I was too weak and exhausted to believe in myself..

A single rose can be my garden.. Single friend, my world.

Lots of love

-Talitha
